## Workshops

10:30 AM - 12:00 PM	Session 1
12:00 PM - 1:00 PM	Lunch & AndroScope Demo
1:00 PM - 2:30 PM	Session 2
2:30 PM - 2:45 PM	Break
2:45 PM - 4:15 PM	Session 3

### 1. Lab management and reporting with Prism10

Interactive workshop – limit 6/session. Each participant will work on their own station.

### 2. The Next Generation of CASA- Androvision/eFlow

Efficient steps to consistent results.

### 3. Semen Packaging Systems

Come see the newest semen packaging system from Minitube and learn handling, cleaning, and troubleshooting points on several machines.

### 4. Water quality, extender preparation, and lab efficiency with Minitube Smart Dispense

Be consistent in your process for added security- tools and tips.

### Additional Information

A registration form will be sent to you, there you will be asked to rank the workshops on interest of attending. Then, upon arrival at Minitube Canada, your schedule will be given to you.
